Person Responsible Equine Canada (EC) #: _____

The Person Responsible (PR) for a horse must be an adult who has, or shares, responsibility for the care, training, custody and performance of the horse and who has official responsibility for that horse under EC or USEF Rules. The PR is liable under the penalty provisions of the applicable EC or USEF Rules for any rule violations of the EC Rules. For the purposes of these Rules, the Person Responsible is normally the trainer, owner or the competitor who rides or drives the horse during an event, or a parent or legal guardian in the case of junior competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables by himself/or herself or any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised. A: for adult entries into EC sanctioned competitions the PR shall be either the trainer, the owner of the horse or the competitor who rides or drives the horse during the EC sanctioned competition. B. For Junior entries into EC sanctioned competitions the Junior competitor cannot be the PR. For Junior entries, the PR may be either the trainer, the owner of the horse or a parent of/guardian of the Junior competitor, who must be at minimum an EC or USEF member in good standing.

Parents and Guardians: Parents and guardians are entitled to sign their children's entry forms without being EC members or holders of a Sport License, provided they agree to abide by the rules and penalties contained in the Rule Book. However, the owner of and Person Responsible for the horse must hold a valid EC Sport License in good standing and at the same level or above the horses's competition level. The Owner's and Person Responsible's EC Sport License numbers must be included on all entry forms. Lead Line riders are exempted from EC Sport License requirements.
