

June 9 and 10 2018, Cheval Québec presents « les Rendez-vous de l'attelage » a clinic of cone courses and maneuverability with **Scott Monroe**, in Bécancour Quebec. Whether you are a derby, a combined driving or pleasure driver, do not miss this opportunity to learn and improve with Scott Monroe! Coach, competitor and judge, ADS three time champion in combined singles competition under the American flag, he has represented the United States three times on the international scene and once Canada as a navigator. Scott Monroe has more than 20 years of experience as a leader and competitor.

Drivers will be invited to walk the cone course with the clinician. They will then be invited to work on the course with their horses which will then be analyzed and commented by the clinician. A specific course for the derby drivers will be built on Sunday. Groups will be split based on levels and disciplines.

Both days of clinic are open to all, drivers and auditors.
