

ATLANTIC CANADA EQUESTRIAN CHAMPIONSHIPS

Adrienne Smith-NSEF, Deanna Phelan -NBEA, Pat Uptegrove – IHC and Jessica Anstey-NEA

The Presidents of Atlantic Canada's Equestrian Sport Organizations are pleased to announce the first Atlantic Canadian Equestrian (ACE) Championships. Four disciplines of Dressage, Horse Trials, Jumper and Reining are included in these Championships being held in late summer and early fall of 2017.

This event is pivotal in the development of equestrian's next generation of national athletes. The athletes will participate in qualifiers throughout the spring and summer for a hard fought place on provincial teams. The Championships will bring each provincial team together to test their skills against fellow Atlantic competitors and hope to not only win a medal but also be identified for future performance pathway initiatives.

We are very excited to have the cooperation and support from Equestrian Canada and National Reining Horse Association sanctioned competitions hosting the Championships in the Atlantic region.
