

Are you interested in becoming an EC certified official?

The NBEA is inviting you to an informal presentation and Q&A session prior to the first Hunter/Jumper competition of the year.

- Are you an adult NBEA member ?
- Do you have questions about what EC Stewards and Course Designers do at Bronze competitions?
- Are you curious about what one must do to meet certification requirements?

Then join us at Geary Hill Stables on May 25th at 10 am. We'll be presenting all the information you need in the two hours prior to the start of the Geary Hill Stables Equestrian Challenge #1. The presentation is free and we hope you will stay and watch Geary Hill Stable's first Bronze Hunter/Jumper of 2019.

If, in addition to the presentation, you are interested in a shadow experience with an official, please complete the form found by clicking on the Officials title under the Programs and Services heading on the EC website or click on the link below.

Please note: Anyone planning to become an official or shadow an official must be at least 21 years old.

Please fill out the registration information for the informal presentation and mail or scan this page to the NBEA by May 17th.
