- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers, and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and,
- Reviewing, revising, and developing competition rules and regulations that protect the welfare of the horse.
- In determining whether conduct or treatment is cruel, abusive or inhumane, the standard to be applied will be the conduct or treatment expected of a reasonable person who is informed and experienced in equine training and exhibition procedures.

What is a Combined Test?

A combined test is part of the Eventing discipline. It requires a horse/rider combination to complete 2 phases of a horse trial. This show will be comprised of a dressage phase and a stadium jumping phase. Dressage tests are predetermined (see below) and are ridden in a 20x40m ring. They will then complete a jumping phase. The two phases are scored together (see below for scoring info) #D203.3.2.

Combined Test Scoring:

Riders will first complete the dressage phase. The dressage score is converted into penalty points. This is done by subtracting your percentage score from 100 (ex: $100 - 62.8 = 37.2$)

In the stadium jumping phase, riders may receive penalty points via rails (same as faults in Show Jumping) and penalty points for time. Time penalties are added for exceeding the time allowed at the Pre-Entry, Entry, and Pre-Training Levels. For each second or part second over the time allowed, the rider will accrue ¼ time penalty. Riders who exceed the time limit (x2 the time allowed) will be eliminated, and riders are not rewarded for completing in less than the time allowed.

Riders are awarded ribbons for the overall score, not for each phase.

Capital Zone Combined Test

The Combined Test entries will be scheduled after the dressage tests, most likely in the afternoon depending on entries. This will allow us to modify the dressage ring from a 20x60 to a 20x40m.

The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed by himself/herself or by any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised.

For Adult entries: the PR shall be either the trainer, the owner of the horse of the competitor who rides or drives the horse during the EC sanctioned competition.
