## General Information on Competition in New Brunswick

A list of all sanctioned competitions in New Brunswick can be found on the [NB Sanctioned Shows](#) web page.

Prize lists and entry forms are uploaded there as soon as they are approved. Listings are also found on the NBEA [Calendar](#).

### What is sanctioning?

A sanctioned competition has been approved by a governing body and will adhere to its rules and safety requirements. EC and NBEA sanctioning ensures the competition meets standards, carries liability insurance, and uses officials that have acquired national training.

## Why should I attend sanctioned competitions?

- These competitions all run under the same *Equestrian Canada* rules (see the links below)
- Points can be earned throughout the season toward year-end awards
- Officials are certified
- Safety and first aid personnel are on site
- Biosecurity measures are observed, and fair play is governed through equine medications control testing.

## Why should I sanction my show?

- Access to templates for entry forms and prize lists
- Printed rule books
- Two governing bodies to assist you
- Access to funding
- Provincial and national points tabulation
- Certified officials
- National and provincial website listings
- Lower insurance rates

## Memberships required

A competitor requires an annual NBEA membership to compete in all sanctioned show. In addition, an *Equestrian Canada* Sport License is that matches the category of shows is required - Bronze or Gold. Some disciplines, such as dressage, may require membership to their provincial body as well.

Horses in Gold competitions also need an EC horse recording number.

## Vaccinations Required

ARTICLE A519 VACCINATIONS All horses attending Equestrian Canada sanctioned competitions must have been administered **Equine Influenza** and **Equine Herpes Virus (1&4)** vaccinations within 6 months (+21 days grace period) before arrival at the event. No horse shall receive vaccination within 7 days prior to arrival at the event. Horses not in compliance with this rule may be asked to leave event site at the discretion of Competition Management.

Most competitions in New Brunswick will also ask for **strangles** vaccination and a **negative Coggins test** as well. Competitions are free to ask for more, if they choose. Read prize lists carefully, and discuss your vaccination program with your veterinarian.

## Year-End Awards

Horses and riders, or drivers, that have competed and placed in the top six spots at a minimum of two EC-sanctioned competitions offering eligible classes will have their points count toward year end awards in Bronze (provincial) and Gold (national) categories.

How are points earned and calculated for year-end awards?

Points for placing in the class are multiplied by the number of horses competing in that class, and added all season. Points are earned by the rider for equitation classes, and by the horse for all other classes.
