The **Person Responsible** for a horse must be an adult who has, or shares, responsibility for the care, training, custody and performance of the horse and who has official responsibility for that horse under EC Rules and is liable under the penalty provisions of the Rules for any violation of the EC Rules. For the purpose of these Rules, the Person Responsible is normally the trainer, owner or the competitor who rides or drives the horse during an event, or a parent or legal guardian in the case of junior/minor/owner competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden, driven or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a Junior/minor/owner, the competitor cannot be the Person Responsible and the Person Responsible may be a parent/legal guardian. The entry form must list the name of the Person Responsible, their EC or USEF member number and be signed.

"I hereby certify that every horse listed on this entry form has met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations."
