

Aynsley Liptay

I've been extremely fortunate to have grown up with horses all my life. I started showing at small local shows in walk trot with my small pony ( Dollars and Cents) now I show all over the maritimes, in the hunters and jumpers. In 2019 I showed my small pony( Because I Can) in the sport ponies at the Royal Winter Fair. I've showed in the medium pony hunters at the Coveside and RPF series with my pony (Barrel of Fun). I am the alternate rider for the CPC national show jumping for 2023.

Currently I am helping to bring along two young pony hunters though the pony developments , working towards the regular division it's a wonderful opportunity working with these ponies. In addition I will be showing my large pony ( Almost Irish) in the jumper ring for the 2023 season.

I love competing, and bringing along the young ponies, but some of my best memories have been hacking around Coveside with friends, trail ridding though the fields, and spending time with the ponies in the barn grooming and taking care of them.
