

Kate Thibodeau

My horse interests and experiences:

I first started taking weekly riding lessons when I was 9 years old. My love for horses and riding continued to grow and at age 11, I began leasing a horse and joined Cardwell Pony Club. After Cardwell Pony Club dissolved, I happily joined Hammondvale Pony Club. During this time, I have leased a few different horses, and gained new experiences and insight with each horse. Pony Club has given me a very good base for riding, general horse theory and safety. It also gave me opportunities to meet other people who love horses as much as I do! Currently, I am leasing a horse who is helping me grow and advance in levels of eventing. Last summer, I had the opportunity to participate in sanctioned shows at Foshay. This experience helped me grow and become a better rider. I have completed my D1 in Pony Club and competed at the Pre-Entry level. I hope to progress in both Pony Club and eventing.
