

Youth Bursary Program

15 April 2025

My name is Peyton Atwin, and I am currently participating in weekly riding lessons at Geary Hill Stables. I served as a demonstration rider for Jen Hamilton during the April clinic at GHS. I have been riding at GHS for approximately three to four years, and my passion for equestrian sports continues to grow. I plan to compete in the cross-rail division this May and June. Typically, I take a break from riding during the winter to participate in competitive hockey; however, I did not this year, and I have observed a significant improvement in my riding skills as a result.

Thanks for your consideration

Peyton Atwin

Youth Bursary Program

15 April 2025

Securing this funding would enable me to cover the cost of purchasing new riding gear, show entry fees to be able to participate in the Cross-rail division Geary Hill Stables as well to help cover training costs such as my weekly riding lessons. Furthermore, it would facilitate my progression to Rider Level 3 following my upcoming Rider Level 1-2 certification.

Thanks for your consideration
