STATEMENT OF PRINCIPLE

Equine Canada, the National Federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

Equine Canada is committed to:

Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.

Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.

Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for Any Purpose.

Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedures -providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives.

Continuing to support scientific studies on equine health and welfare.

Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work with industry regulations in all equestrian competitions.

Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a responsible person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

Code of Conduct

EC rules address the following general areas:

Welfare of the horse
Safety of horse and human athlete
