Every class offered herein is covered by the current rules and specifications of EC and will be held and judged in accordance with the EC Rule Book.

Equine Canada Statement of Principle

Equine Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Providing current information on Code of Practice of the Care and Handling of Equines and other health and welfare initiatives;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

Every entry at an EC sanctioned competition shall constitute an agreement by the person responsible (**see definition in entry form section**) that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC sanctioned competitions to be knowledgeable regarding the EC Constitution and the applicable rules of EC and additional rules, if any, imposed by the competition. Do not participate in the EC sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the constitution.

Person Responsible:

For the purpose of these Rules, the Person Responsible is normally the trainer, owner or the competitor who rides or drives the horse during an event, or a parent or legal guardian in the case of junior competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of horse and is alone responsible for an act performed in the stables by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden, driven or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a Junior, the competitor cannot be the person responsible and the Person Responsible may be a parent/guardian who must be an EC member in good standing.

Parents and Guardians are entitled to sign their children's entry forms without being EC members or holder of a Sport License, provided they agree to abide by the rules and penalties contained in the Rule Book. However, the owner of the horse must hold a valid EC Sport License and the owner's EC Sport License number must be included on all entry forms.
